DEDICATE NEW COUNTY COURTHOUSE

Ceremonies Began With Colorful Parade Of Drill Teams

San Mateo county civic, fraternal and patriotic organizations joined forces Sunday in one of the most elaborate and impressive ceremonies to be staged in this county, with formal dedication of the new $235,000 courthouse annex in Redwood City, seat of county government for 83 years.

The same ceremonies also saw the dedication of a new $95,000 city hall and $85,000 library for Redwood City. The day's "Festival of Progress" was sponsored by the Redwood City Park and Recreation commission.

Characterized by visiting dignitaries and state leaders of the Native Sons and Daughters, American Legion and Veterans of Foreign Wars, the rites began with a colorful parade in which there were approximately forty marching drill teams, color guards and similar entries. The Daly City Juvenile Drill team and other local organizations took part in the celebration.

Dedication ceremonies at the courthouse, beginning at 2:30 p. m., were under the auspices of Redwood Parlor 66, Native Sons of the Golden West. National colors were presented by the American Legion, the California Bear flag by Native Sons, the new San Mateo county flag by the county of San Mateo; and the United States flag by the San Mateo-Santa Clara council, ladies' auxiliary to the Veterans of Foreign Wars.

Following the introduction of county officials and brief welcome and dedicatory addresses, a plaque was placed at the site by grand officers of the Native Sons.

Dedication of the courthouse annex was followed by ceremonies at Redwood City's civic center for the new library and city hall.

START WORK ON FOUR-LANE HIGHWAY SOON

Construction To Start At Broadway In Redwood City

Construction work on the widening of El Camino Real for a four-lane highway is scheduled to begin shortly after the adjournment of the State legislature, according to word received from Sacramento this week.

"When this work is completed, the El Camino Real will have two lanes for traffic going in each direction," the announcement said. "The work will start at Broadway in Redwood City and extend south to the county line, which when completed will give ample width for safe driving from San Francisco to the Mexican border with but one or two short pieces of narrow road."

Another important bit of work which was reported this week involves construction of a ten-foot parkway down the center of the Bay Shore highway from the San Francisco county line to Palo Alto.

Admen Convene To Discuss Program

"Bigger and better advertising results in 1939" was the theme of the annual California Newspaper Advertising Managers' Convention held Friday, Saturday and Sunday at San Jose. Many ways to help the local merchant prepare his advertising in such a way as to bring better results were discussed. Robert Keely, advertising manager, attended for the Daly City Record and Daly City Shopping News. The convention culminated Sunday with a banquet on Treasure Island.

Assuring Daly City merchants the best possible advertising service, the Daly City Record has kept up on modern advertising methods. Realizing that most merchants haven't the time to devote to preparing effective advertising, the Record offers assistance in the preparation of all types of advertising copy.

Local Schools To Open August 28

There will be an approximate enrollment of 1350 students at the re-opening of the Jefferson elementary schools next August 28, according to R. L. Crane, district superintendent of schools.

Schools here were officially closed for the summer vacation June 16. During the next two months, janitors will be busy with general cleaning and repair work.

"Increased enrollment in Daly City schools is the natural result of the present rapid expansion rate of this community," Crane explained. "If the building boom continues, with a heavy influx of new families into this area, an even greater school enrollment is to be expected in the future."

New Setup For Recreation

Plans for making Daly City the model WPA Recreation department for the entire seven western states were announced by authorities this week, as sweeping changes in recreational policy got under way here.

New director is Enid F. Tandy, replacing Jerry Hull. Hull, under whom so much was accomplished in laying the groundwork for the model development, has been transferred to Burlingame.

Experienced key workers will be sent to assist with the new program. First concrete step will be establishment of a diversified adult program.

Tandy was formerly superintendent of recreation for the city of Los Vegas, Nevada. Prior to that time, he was recreation director for four years in San Bernadino, California.

Details of the new program will be announced soon.

To Organize Republican Group

To organize a permanent, active Republican body to function on by-years as well as at election times was the objective of a Republican Party dinner held Thursday evening at Ric's Place, Colma.

Prominent local Republicans attended the dinner and expressed a unanimous opinion that such an organization would be the first major step in furthering the aims and ideals of the party. Glen Baker was appointed chairman of the organizing committee. Louis Nava and Louis Poletti were appointed vice-chairman and secretary respectively.

Another meeting is scheduled for July 27 at Ric's Place to get definite procedure under way.

ANNOUNCE FAIR PROGRAM FOR WEEK

New Highlights Of Endless Variety At Treasure Isle

Ever increasing in tempo, the Golden Gate International Exposition, for the week of July 1 to 7, will hit top speed.

Highlights of the week, which teems with an endless variety of events, will be the visit of the United States fleet and the monster July 4 celebration, the greatest patriotic spectacle in the West since Armistice Day.

Special Events

To mention just a few of the special events that will be provided for visitors during the week there will be celebrations for British Columbia, Santa Cruz, Jugoslavia, the Santa Fe Railway, Oregon Week, Allied Veterans Day, Freckle Face Day, Venezuela Day, Hawaii Day and a Redhead contest—enough to fill two ordinary weeks. Monday, July 3, will be another "Dime Day" on which children under 12 will be admitted for 10 cents, those from 12 to 18 for 25 cents.

Fourth Events

With San Francisco foregoing any local program and joining in with the Allied Veterans for a monster July 4 celebration, this date will be an outstanding one on Treasure Island. Parades, drill contests, patriotic ceremonies and addresses, six gala balls, an open-air theatre program, spectacular fireworks displays and other features will be included in the program for the day.

Beginning on Saturday, July 1, the largest array of capital fighting ships ever to drop anchor in San Francisco Bay, 60 in all, will mark the opening of their 17-day stay during which all service men on active duty and in uniform will be admitted to Treasure Island free.

During the entire week the World's Fair International Horse Show will be in progress, with show horses from points throughout the United States competing for prizes.

The famous Folies Bergere will be back on Treasure Island for a popular return engagement.

CCC Needs 40 San Mateo Youths

Replacement quotas for California CCC Camps have just been released and plans are being rushed to completion for the enrollment of 2864 California youths between July 1 and 20.

The requisition for San Mateo county has been set at 40.

"With tremendous strides that have been made in the past several years in the improvement of the educational and job-training programs, the CCC has come into its own as an organization definitely fitting the young man for future endeavor by making him a far more employable person than he was when he left for camp. Hundreds of former CCC boys are finding their way to gainful employment much easier because of the training," said CCC leaders.

Further information on this program may be obtained by calling on Miss June Maban who is the San Mateo County CCC Selecting Agent with headquarters at 430 Peninsula street, San Mateo; office hours 10:30 a. m. to 12 noon daily.

New Pastor Takes Over Duties

Reverend James Bergin officially took over the duties of pastor of Our Lady of Perpetual Help church Sunday. He replaces Father James P. Donohue, whose resignation due to ill health was recently announced.

Assisting the new pastor will be Father Thomas Phelan, from Petaluma, replacing Father Patrick O'Rourke, who was recently transferred to Half Moon Bay.

Father Bergin was formerly pastor of a church at Sebastopol in Sonoma county.

Record Swim Program Under Way

Daly City Record swimming campaign at Jefferson Union high school pool is now in full swing. Beginning classes for girls are held Tuesday afternoons. Beginning classes for boys meet Wednesday afternoons. All classes start at 1:30 p. m.

Edward J. Nolan, recently retired state labor commissioner, is a patient at Villa sanitarium. Under the James Rolph jr. administration in San Francisco, Nolan was a prominent political figure.

START DRIVE TO SECURE STREET WORK

Building Permits In One Year Total $404,000

WPA application for street improvements in southern Daly City was started on its way to Washington Monday evening when the city council authorized Mayor Paul G. Selmi and City Engineer Julius F. Castelan to sign project proposals for the job.

The application, providing for grading, street work, gutters, sidewalks, water and sewer mains, will go to county and state WPA offices, then to Washington. Castelan announced today that possibilities of approval were good, and that if the project is approved work will begin by fall.

The entire project will gross approximately $261,000. Daly City's sponsoring contribution will be $75,000.

New Building

Local building permits from June 1, 1938, to June 1, 1939, total $404,000. Permits for new construction and repair work numbered 139. One hundred nineteen electrical permits and 117 plumbing permits were issued during the period. Fees collected by the city for all permits issued amounted to $3263.75.

Fire Ordinance

Councilman Twesten introduced an ordinance regarding rules and regulations of the fire department. The proposed rulings will be far more flexible in nature than the ordinance under which the fire department is now working. Opportunities for making changes, adjustments, and expansions in the department as the community grows are provided.

H. G. King, local committeeman for San Mateo County Day at the Fair, presented a complete financial report of the affair. King's report showed Daly City's purchase of 910 buttons almost double the purchases of any other community on the peninsula.

VERNAZZAS WIN IN RADIO COMPETITION

Trio Awarded Paid Engagement At Golden Gate

From high school band to metropolitan theatre is the fairy-like tale of James, Joseph and Lorraine Vernazza, who last week were announced winners of the Benny Walker radio competition, carrying a prize of one week's paid engagement at the Golden Gate theatre, San Francisco. Featured members of the Jefferson Union high school Indians of Rhythm, the Vernazzas will be the first entertainers from the vicinity to achieve this honor.

The trio have been invited to appear for an audition at the Del Monte hotel in Carmel, where they may be engaged for the entire summer. It will be remembered that at a recent engagement at the Clairmont hotel in Oakland, the Vernazzas were acclaimed an outstanding success.

Parents of the talented young musicians are Mr. and Mrs. Dominic Vernazza, 269 Westlake ave-

Swimming, boating, fishing and all the other summer recreational pleasures are in full sway. They are more easily accessible, in fact, with a new car. Rivals in Luxury Face to Face

"Come down to earth and take a look, that's all we ask," phones Margaret Akeson, United Air Lines stewardess, to pilot H. V. Laughlin, as she and Marcelline Garvis describe the attractions of the new 1939 Dodge Luxury Liner in which the girls journeyed to the airport.

Studebaker Sales Increase

Official registration figures for automobiles sold in California during the month of May show a decided improvement over May 1938 with an increase of 32.4 per cent for the average of all cars.

Studebaker has enjoyed a phenominal sales gain due to the introduction of the new Champion as well as increasing popularity of the Commander and President models. Studebaker's gain over May of last year is 156 per cent or about 4.7 times the average gain of the industry, according to C. K. Whittaker, president of The Studebaker Pacific corporation.

This gain places Studebaker in seventh place in the state. Out of the 26 makes of passenger cars Studebaker has moved two places nearer the top, from ninth place in May, 1938 to seventh place this year.

Thompsons Entertain Ventura Guests

Royal Hauntians To Have Vacation

Even the ghosts in Daly City are taking a vacation! At any rate, a missive received in the Record office last Tuesday from the Royal Hauntians of the Black Chapel states that during the summer the order will meet only once a week instead of twice, as formerly.

New officers were installed, too, it seems, but who or when nobody knows. The only clue—a pencilled notation that it all took place Tuesday night, June 15, leaves the matter more in the dark than ever.

"The High Chief Hauntian was thrown out of office," the note goes on to describe, "with all the social graces at the command of the Royal Hauntians . . . a grand time was had by all."

Delta Club Plays Dutch Whist

Members of the Delta club spent a pleasant evening playing Dutch whist Tuesday at the home of Mrs. Dorothea Brush, Santa Cruz avenue.

Chairmen for the past year will meet tomorrow (Wednesday) evening at the home of Vivian Pahlka to compile their reports for the year just closing.

Mr. and Mrs. Anderson Honored At Party

Mr. and Mrs. Carl Anderson, Bellevue avenue, were pleasantly surprised by friends Saturday evening, in honor of their twenty-fifth wedding anniversary.

Early in the evening Mr. and Mrs. Anderson, and daughter Frances, were entertained by another daughter and son-in-law, Mr. and Mrs. Gene Siler, Bellevue avenue, at dinner. Returning to their own home, Mr. and Mrs. Anderson found fifty relatives and friends with their son, Clarence, waiting to surprise them.

The guests of honor were presented with a silver flower centerpiece with matching candleholders. The evening was spent dancing in the social hall, which was decorated with paper streamers of yellow and blue, Swedish colors. At midnight supper was served.

General Pershing P. T. A. enjoyed a basket luncheon at their annual picnic last Tuesday at Fleishhacker's. An unusually large number of members and children attended.

Decadeers Social Club Enjoys Skating

Under the supervision of Vice-President Jack W. Adams, members of the Decadeers Social club enjoyed an evening of skating last Friday at Pacific City. Unable to attend was Bud Simpson, publicity manager, who is visiting relatives.

Last Monday evening a new member, Vince Siminini, Colma, took the oath and was admitted into the club.

BANK OF AM COOPERATES IN FHA DRIVE

Branch Manager Looks Forward To Rapid Growth Here

In 1935 when the F. H. A. became a law, A. P. Giannini, founder of the Bank of America, telegraphed his executives in California to advertise immediately that Bank of America would cooperate fully in making loans for the building of homes.

"Home building and home ownership," he said, "are the foundation of America's greatness."

Stimulated by this early approval the bank has consistently advertised in California newspapers and other media for home building loans with the result that today about one-tenth of all FHA loans made in the United States have been made by this California statewide bank.

Carl E. Newman, manager of the Daly City branch, when interviewed today, said that he considered a home loan on California property to be one of the soundest investments a lender could have and he looks forward with confidence to great development in the Daly City district not only from a residential standpoint but from an industrial one as well.

BETTER HOUSING FHA PROGRAM

We consider "HOME, INC." *a Good Investment*

And so do all other families who are sincerely interested in keeping home livable as well as maintaining its property value.

There was a day when needed home repairs, redecorating, modern plumbing or heating, or a new and more adequate residence had to wait until the family had laboriously saved up a large sum. BUT NO MORE—with FHA any family may set aside a small sum each month and realize NOW the benefits of a new or improved home.
